

MASTER						
COURSE TITLE (IN ENGLISH)	COURSE TITLE (IN ITALIAN)	SEMESTER	TEACHING LANGUAGE	LECTURER	BACHELOR - MASTER	ECTS
3d video games	3d video games	Second	English	TARINI	Master in Computer Science	6
Affective computing	Affective computing	First	English	BOCCIGNONE	Master in Computer Science	6
Algorithms for massive datasets	Algorithms for massive datasets	Second	English	MALCHIODI	Master in Computer Science	6
Architectures for big data	Architectures for big data	First	English	CONDORELLI	Master in Computer Science	6
Artificial intelligence	Artificial intelligence	First	English	PIURI	Master in Computer Science - Informatics Security	6
Artificial intelligence for video games	Artificial intelligence for video games	Second	English	MAGGIORINI - RIPAMONTI	Master in Computer Science	6
Audio pattern recognition	Audio pattern recognition	First	English	NTALAMPIRAS	Master in Computer Science	6
Bioinformatics	Bioinformatics	Second	English	VALENTINI	Master in Computer Science	6
Biomedical signal processing	Biomedical signal processing	First	English	SASSI	Master in Computer Science	6
Business information systems	Business information systems	Second	English	CERAVOLO	Master in Computer Science	6
Business process engineering	Business process engineering	Second	English	GIANINI	Master in Computer Science	6
Decision methods and models	Decision methods and models	First	English	CORDONE	Master in Computer Science	6
Game design and prototyping	Game design and prototyping	First	English	MAGGIORINI - RIPAMONTI	Master in Computer Science	6
Geospatial data management	Geospatial data management	First	English	DAMIANI M.L.	Master in Computer Science	6
Heuristic algorithms	Heuristic algorithms	First	English	CORDONE	Master in Computer Science	6
Information management	Information management	Second	English	FORESTI - LIVRAGA	Master in Computer Science	6
Information retrieval	Information retrieval	Second	English	FERRARA	Master in Computer Science	6
Intelligent systems for industry, supply chain and environment	Intelligent systems for industry, supply chain and environment	Second	English	SCOTTI	Master in Computer Science	6
Logistics	Logistics	Second	English	RIGHINI	Master in Computer Science	6
Mathematical logic	Mathematical logic	Second	English	CIRIANI	Master in Computer Science	6
Methods for image processing	Methods for image processing	First	English	FERRARI	Master in Computer Science	6
Natural interaction	Natural interaction	First	English	BOCCIGNONE	Master in Computer Science	6
NEW GENERATION DATA MODELS AND DBMSs	NEW GENERATION DATA MODELS AND DBMSs	First	English	MESITI	Master in Computer Science	6
Online game design	Online game design	Second	English	MAGGIORINI - RIPAMONTI	Master in Computer Science	6
Operational research complements	Operational research complements	First	English	RIGHINI	Master in Computer Science	6
Privacy and data protection	Privacy and data protection	Second	English	FORESTI	Master in Computer Science	6
Real-time graphics programming	Real-time graphics programming	Second	English	GADIA	Master in Computer Science	6
Simulation	Simulation	Second	English	CESELLI	Master in Computer Science	6
Statistical methods for machine learning	Statistical methods for machine learning	Second	English	CESA BIANCHI	Master in Computer Science	6
