

MASTER					
Course	Semester	Teachers	Language	Max ECTS	Degree course
3d video games	Second	Tarini Marco	English	6	Master Computer Science
Algorithms for massive datasets	Second	Malchiodi Dario	English	6	Master Computer Science
Architectures for big data	First	Condorelli Andrea	English	6	Master Computer Science
Artificial intelligence	First	Piuri Vincenzo	English	6	Master Informatics Security
Artificial intelligence for video games	Second	Maggiorini Dario, Gadia Davide	English	6	Master Computer Science
Audio pattern recognition	First	Ntalampiras Stavros	English	6	Master Computer Science
Bioinformatics	Second	Valentini Giorgio	English	6	Master Computer Science
Business information systems	Second	Ceravolo Paolo	English	6	Master Computer Science
Business process engineering	Second	Gianini Gabriele	English	6	Master Computer Science
Distributed and pervasive systems	Second	Bettini Claudio	English	6	Master Computer Science
Heuristic algorithms	First	Cordone Roberto	English	6	Master Computer Science
Information management	Second	Foresti Sara, Livraga Giovanni	English	6	Master Informatics Security
Information management	Second	Foresti Sara, Livraga Giovanni	English	6	Master Computer Science
Information retrieval	Second Second	Ferrara Alfio	English	6	Master Computer Science
Intelligent systems for industry, supply chain and environment	Second	Scotti Fabio	English	6	Master Computer Science
Mathematical logic	Second	Aguzzoli Stefano	English	6	Master Computer Science
Methods for image processing	First	Ferrari Stefano	English	6	Master Computer Science
Natural interaction	Second	Boccignone Giuseppe	English	6	Master Computer Science
NEW GENERATION DATA MODELS AND DBMSs	First	Mesiti Marco	English	6	Master Computer Science
Online game design	Second	Maggiorini Dario, Ripamonti Laura Anna	English	6	Master Computer Science
Privacy and data protection	First	Foresti Sara	English	6	Master Computer Science
Real-time graphics programming	Second	Gadia Davide	English	6	Master Computer Science
Simulazione	Second	Ceselli Alberto	English	6	Master Computer Science
Statistical methods for machine learning	Second	Cesa Bianchi Nicolo' Antonio	English	6	Master Computer Science
